

Cloche d'Or Luxembourg

Client: LCO

Architect: Tatiana Fabecq Architecte

This new shopping centre, with parking for 2.800 cars, and the 250 apartments, are part of the bigger 'Cloche D'Or' project.

On a strategic location in the Grand Duchy of Luxembourg, this new district offers a perfect balance of shops and restaurants, quality homes and workspace.

The comfortable apartments, designed by great architects, are overlooking the adjacent new park, and are close the Auchan hypermarket, and over 100 other shops in the shopping centre.
