

Belval- Twenty 8

Client: Tracol Immobilier

Architect: BENG Architectes Associés

The former industrial site of *Belval* is turning into an urban area. This new urban area will offer a lot of different activities such as shopping, leisure, working and living ... *Belval Twenty 8* will be the new place to be in Luxembourg.

On a global surface area of about 23.500 m², there will be 115 residential units, combined with an office area of 5.850 m² on the 1st and 6th floor and also two underground parkings.

On the ground floor, there will be retail and services units.
